

Teen Board

What is Tie and Doll Teen Board?

Tie and Doll Teen Board is a youth volunteer program that provides a diverse group of students between the ages of 15 to 18 years the opportunity to represent and work with Tie and Doll to create special events and participate in community service projects.

Community service is a core component of this program. Throughout the year, board members will be committed to monthly community service projects. Tie and Doll is committed to mentoring youth to build their self-esteem and empower them to lead courageously, give generously, and enrich themselves culturally so that they can make intelligent choices and be positive influences in their respective communities.

Teen Board meetings are held on the first Tuesday of each month (August to May). Teen board members are required to attend at least 75% of scheduled teen board meetings. Teen board members will be required to participate in at least four (4) special events or community events per 6 months. In addition, teen board members **MUST** attend at least one (1) All TIEd Up Workshop (for young men) or All DOLLed Up Workshop (for young ladies) while serving on the board. If not, you will not be eligible for future years on the board.
